We cordially invite you to apply to our summer Undergraduate Training Program, which starts June 13, 2011 and ends August 5, 2011. For additional information, please visit our website: www.llu.edu/chdmm

The educational mission of the Loma Linda University Center for Health Disparities and Molecular Medicine is to increase the number of basic biomedical and physician scientists from diverse backgrounds involved in research, and to eliminate health disparities.

The benefits for participants include:

- A paid summer biomedical research experience.
- Seminars on health disparities and biomedical research topics.
- Mentoring from outstanding scientists.
- Networking with other students, physicians, and health professionals.
- Increasing your competitive advantage when applying for PhD or MD/PhD programs.
