Scholarships, Fellowships, and Other Funding Opportunities for Students – Spring 2015

The following is a resource list compiled by Humboldt State University’s Office of Diversity and Inclusion. Other excellent funding opportunities are also listed on HSU’s Sponsored Programs Foundation website: http://humboldt.edu/hsuf/studentfunding.php

APPLY BY FEBRUARY 2015 (TOO LATE TO APPLY THIS YEAR? PUT IT ON YOUR CALENDAR FOR NEXT YEAR)

Amgen Scholars Program
The program provides hundreds of undergraduate students with the opportunity to engage in a hands-on summer research experience in biology, chemistry, physiology, and related fields, at some of the world’s leading institutions, including Stanford, MIT, UCSF, UCLA, Columbia, Berkeley, and more. 
**Deadline: early February 2015**
http://www.amgenscholars.com/

CSU Chancellor’s Doctoral Incentive Program
The program aims to increase the number of promising doctoral students who are interested in applying and competing for future CSU instructional faculty positions. The program seeks to accomplish this goal by providing financial aid in the form of loans to doctoral students with the motivation, skills, and experience needed to teach the diverse student body of the CSU. 
**Deadline: February 13, 2015**

Ethnic Minority and Women’s Enhancement Postgraduate Scholarship for Careers in Athletics
The NCAA awards $7,500 to 13 scholarships to ethnic minorities and 13 scholarships to female college graduates who will be entering their initial year of graduate studies. The applicant must be seeking admission or have been accepted into a sports administration program that will help the applicant obtain a career in intercollegiate athletics, such as athletics administrator, coach, athletic trainer or a career that provides a direct service to intercollegiate athletics. 
**Deadline: February 16, 2015**
Scholarships, Fellowships, and Other Funding Opportunities for Students – Spring 2015

LAGRANT Foundation – Advertising, Marketing, and Public Relations Scholarships
The foundation provides $2,500 scholarships to ethnically diverse minority undergraduate students who are attending accredited institutions and are pursuing careers in the fields of advertising, marketing or public relations. Additional majors that also qualify are art, anthropology, communications, English, graphic design and sociology (must demonstrate a career path in advertising, marketing or public relations). Applicants must be full-time students at a four-year institution, and a member of one of the following ethnic groups: African American/Black, Asian American/Pacific Islander, Hispanic/Latino or Native American/American Indian. Scholarship winners will receive a trip where they will participate in career building activities.

Deadline: February 27, 2015

The Buick Achievers Scholarship
The scholarship is reserved for first generation college students who have an interest in the automotive industry or in a related field like business, finance, accounting, math, technology, science or engineering. Although the scholarship is open to all first generation students, priority is given to those pursuing careers in the above fields, especially those who are studying engineering. Competitive applicants will be able to demonstrate leadership roles in volunteer work and community service. The scholarship is awarded to 1100 students each year. One hundred of the most qualified students will receive $25,000 per year. The scholarship is renewable for up to four years of full-time school. For students pursuing an engineering degree on a 5-year track will receive a 5th year of funding. The other thousand accepted applicants will receive $2,000 per year.

Deadline: February 27, 2015

Apply by March 2015

AAAS Minority Science Writers Internship (Science Magazine)
The American Association for the Advancement of Science (AAAS) offers a Washington, D.C.-based summer internship program for minority students interested in journalism as a career and who want to learn about science writing. The program is a paid, 10-week experience under the guidance of Science magazine’s award-winning staff of professional science writers and editors. The paid internship provides for travel to and from the internship site in Washington, DC.

Deadline: March 1, 2015

Scholarship, Fellowships, and Other Funding Opportunities for Students – Spring 2015

National Institutes of Health (NIH) Undergraduate Scholarship Program
The National Institutes of Health (NIH) Undergraduate Scholarship Program offers competitive scholarships to students from disadvantaged backgrounds that are committed to careers in biomedical, behavioral, and social science health-related research. The program includes scholarship support, paid summer research training, and paid employment and training after graduation. The NIH UGSP will pay up to $20,000 per academic year in tuition, educational expenses, and reasonable living expenses to scholarship recipients. Scholarships are awarded for 1 year, and can be renewed up to 4 years.
Deadline: March 2, 2015

Benjamin A. Gilman International Scholarship (Study Abroad)
The Gilman Scholarship Program provides over 2,300 awards of up to $5,000 for U.S. undergraduate students to enable them to participate in study abroad programs worldwide. Award amounts vary depending on the length of study and student need. Average award is $4,000. To be eligible, students must be receiving Federal Pell Grant funding at a two-year or four-year college or university.
Deadline: March 3, 2015
http://www.iie.org/Programs/Gilman-Scholarship-Program

Tillman Military Scholar
Awarded to veteran and active duty military service members of both pre- and post-9/11 service from all branches of the U.S. Armed Forces: Army, Navy, Air Force, Marine Corps and Coast Guard, including service in the National Guard and reserve. Each award amount is determined on a case by case basis and is intended to meet each applicant’s unique need. The exact amount will be based on individual financial need and the strength of application in comparison to the overall pool.
Deadline: March 3, 2015

**APPLY BY APRIL 2015**

Davis-Putter Scholarship Fund
The fund provides grants to students actively working for peace and justice. These need-based scholarships are awarded to those able to do academic work at the university level and who are part of the progressive movement on the campus and in the community.  
**Deadline: April 1, 2015**  
http://www.davisputter.org/ 

Congressional Hispanic Caucus Institute Scholarship (Public Service/Civic Engagement)
CHCI provides a one-time scholarship of $2,500 to Latino students who have excellent leadership potential, a history of performing public service-oriented activities in their communities, and who demonstrate a desire to continue their civic engagement in the future. No GPA or academic major requirement. Note: be sure to check out their internship opportunities.  
**Deadline: April 16, 2015**  
http://www.chci.org/scholarships/
Society of Hispanic Professional Engineers Scholarships
The SHPE Foundation Scholarship Program is designed to enhance and achieve the potential of Hispanic students pursuing degrees in science, technology, engineering, and math (STEM). Merit-based and need-based scholarships ranging from $1,000-$5,000 are awarded to Hispanic students who demonstrate significant motivation and aptitude for education and careers in STEM fields.

**Deadline: Check website periodically for updates**
http://www.shpefoundation.org/scholarships/

Patsy Mink Education Support Award
The foundation will offer five Education Support Awards of up to $5,000 each to assist low-income women with children who are pursuing post-secondary education or training.

**Deadline: Applications will become available late Spring 2015**
http://www.patsyminkfoundation.org/edsupport.html

Actuarial Diversity Scholarship
The scholarship promotes diversity within the profession through an annual scholarship program for Black/African American, Hispanic, Native North American and Pacific Islander students. Applicants must have at least one birth parent who is a member of one of the above minority groups. Award amount is $1,000-4,000. The award will be divided to cover multiple semesters or other terms comprising the academic year. Recipients attending school for a portion of the upcoming year (e.g., one semester) will receive the corresponding portion of a full year scholarship amount.

**Deadline: May 1, 2015**

Asian Women in Business Scholarship
The Asian Women in Business Scholarship encourages and promotes exceptional Asian female students who have demonstrated scholarship, leadership, community service and/or entrepreneurship. Scholarships are $2,500-$5,000.

**Deadline: Releases dates in late February**
