The John Gimbel Research Trust: Award Application Form

The Gimbel Research Trust is administered by the History Department in honor of former HSU History professor John Gimbel. Awards are intended to support the research of outstanding History majors. Students may apply for up to $250 for travel to an archive or research library, or to conduct research in another appropriate form. Travel must support student work related to a History class or to the annual History Department Student Conference held in the Spring. Applications for award money must be submitted to the History Department main office (Founder’s Hall 180). The deadline for applications is FRIDAY, FEBRUARY 24, 2012. Awards will be announced before Spring Break.

In order to receive funds, students designated as award recipients must submit a brief report of their research experience and research findings to the Department. Original receipts for travel must also be submitted.

Name: _____________________________________________________________________

Year at HSU (Sophomore, Junior, etc.)__________________________________________

Travel Destination:___________________________________________________________

Dates of Travel: _____________________________________________________________

Mode of Transportation: _____________________________________________________

Amount Requested:__________________________________________________________

Project Proposal: Please attach a separate sheet in which you describe your research project and the specific goals of that project as they relate to your request for funding. Explain the relationship of your research to your broader goals as a History major. You must also attach a copy of your DARS report.

Completed application in hard-copy format must be submitted to the Department office by 5pm on Friday, February 24.
