__________________________________________________________________________________________

12. Required Attachments

- One unofficial copy of transcripts from the college(s)/university(s) to include the last 60 semester units which were completed (through Fall of 2009).
- Two letters of recommendation from someone who knows of your commitment to mathematics. At least one letter should be from a mathematics faculty member.
- A completed Recruiting Survey (see www.humboldt.edu/~hsmc/ccns/index.html)
- A one page personal statement describing your commitment to teaching mathematics at a high school level and relevant experiences. Include a description of how a Noyce scholarship would contribute to your professional development? You may also discuss any socioeconomic difficulties, disability, or other challenges you face.

13. Signature and Agreement

- Should I receive a Noyce scholarship, I am obligated to fulfill the requirements of the program to the best of my ability.
- I give permission to release this information to the National Science Foundation, if required.
- I give permission to publicize my Noyce scholarship award.
- I understand that my Noyce scholarship might affect other financial aid awards, and it is up to me to verify this by checking with the financial aid office.
- I certify by my signature that I have read and understood the information in this application and that it is complete and accurate.
