

## Student worker system access reminder

If your group had student workers in the Fall semester who are not returning to work with you this semester, please be sure to complete and submit an Access Request Form to the ITS Project Office to remove their student worker access privileges.

You can access the form at [www.humboldt.edu/forms/node/44](http://www.humboldt.edu/forms/node/44) [1]

PS - If you ever need to provide access to, or remove access from, a large number of people at one time, a Mass Access Request Form is available that will help you get this done quickly and efficiently. Contact Cortney Koors in the ITS Project Office at (707) 826-5080 or email her at [cortney.koors@humboldt.edu](mailto:cortney.koors@humboldt.edu) [2] to find out how.

Here's an Access Request Form reminder for you (and a tip for the future). [Read more about ARF and student workers](#) [3] ...
