

Labs :: Lab Descriptions

This page provides current equipment descriptions for facilities managed by Interdisciplinary Computing. Locations of all facilities are indicated on the [campus map of lab locations](#) [1].

IMPORTANT NOTE:

During the summer, the labs operate the following restricted schedule:

- Monday-Thursday: Lib 121 and Lib 310 are open 8:30am-4:15pm
- Friday: SH118 is available 9am-4pm

All other Interdisciplinary Labs are unavailable during the summer.
