

## folders / nrs-labs / users

**Last Updated:** January 6, 2013 - 10:18am

**System:** Network Folders

**Status:** Maintenance Window

**Issue start:** Jan 6 2013 - 11:00

**Estimated resolution time:** Jan 6 2013 - 17:00

**Affected in what way:** Network folders, nrs-labs, and users are down for an extended maintenacne window.

**Workaround:** None

**What happened:** A filesystem move is running that will take longer than the standard maintenance window.
