

Network down in Forbes D

Last Updated: January 24, 2013 - 8:06am

System: Campus Data Network

Status: Available

Issue start: Jan 24 2013 - 07:00

Estimated resolution time: Jan 24 2013 - 10:31

Who is affected: No Network in Forbes D due to no power ** Has been Restored **

Affected in what way: There is no power for the network equipment so there is no access to the network in that building. ** Power and network connectivity has been restored **

Workaround: None

What happened: Unknown at this time. An Electrician has been called. Once power has been restored, you may need to reboot your computer to gain network connectivity. Check back for updates. ** Has been restored - if you still have network troubles, reboot your computer. **
