

Key Advisor and ITC Web Pages Bulletin posted April 19, 2013@ 10:00 AM

Last Updated: April 19, 2013 - 12:40pm

System: Campus Data Network

Status: Unavailable

Issue start: Apr 21 2013 - 03:00

Estimated resolution time: Apr 21 2013 - 20:00

Who is affected: Any Key Advisor or ITC trying to access their web page
(<https://tns.humboldt.edu/keyadvisor> or <https://tns.humboldt.edu/itc>)

Affected in what way: They will not be able to access these pages this Sunday

What happened: During this weekend's maintenance window, the server that holds these services is being virtualized. The system will be down for most of the day for this work.
