

## DHCP Server Move

**Last Updated:** June 27, 2013 - 8:07am

**System:** Other

**Status:** Available

**Issue start:** Jun 27 2013 - 17:00

**Estimated resolution time:** Jun 27 2013 - 17:05

**Who is affected:** All Users

**Affected in what way:** The DHCP Server will be migrated, and won't hand out NEW IP addresses during that time. Client devices that were powered up prior to 17:00 won't be affected by this change.

**Workaround:** None

**What happened:** The aging hardware serving the Campus DHCP server (Except Housing) will be retired.
