

## DHCP Server Move - ResNet / Wireless

**Last Updated:** July 3, 2013 - 12:46pm

**System:** Other

**Status:** Available

**Issue start:** Jul 5 2013 - 16:45

**Estimated resolution time:** Jul 5 2013 - 16:50

**Who is affected:** Wireless and ResNet Users

**Affected in what way:** During the server migration, no new DHCP IP addresses will be handed out. Existing IPs/connections are not affected. The actual change change will likely last much shorter, followed by testing.

**Workaround:** Retry connecting after a couple of minutes

**What happened:** The ResNet/Wireless DHCP server will be migrated from running on obsolete hardware to a Virtual Machine. The DHCP Server has been migrated.
