

## Poor Off-Campus internet connectivity

**Last Updated:** October 14, 2013 - 12:20pm

**System:** Off-Campus Internet Connection

**Status:** Available

**Issue start:** Oct 14 2013 - 13:13

**Estimated resolution time:** Oct 14 2013 - 13:50

**Who is affected:** Anyone trying to connect to the internet off campus

**Affected in what way:** \*\*\*Update 14OCT13 @ 1:55PM - Per CENIC, our Internet Service Provider, a Denial of Service (DoS) attack targeting the Santa Clara Office of Education has been mitigated. It affected HSU because our Internet connection shares an facility with Santa Clara's connection in Sunnyvale, CA. \*\*\* Anyone trying to access services off campus, ie Google or other off campus services. This also affects Marine Lab Trinidad and Arcata Children's Center. They cannot connect to our internet and are down.

**Workaround:** None

**What happened:** \*\*\*Update 14OCT13 @ 1:55PM - Per CENIC, our Internet Service Provider, a Denial of Service attack targeting the Santa Clara Office of Education has been mitigated. It affected HSU because our connection shares an facility with Santa Clara's connection.
