

Temporary outage for remote links - Marine Lab, 10th Street Children Center, & Natural History Museum

Last Updated: April 24, 2014 - 11:32am

System: Other

Status: Available

Issue start: Apr 24 2014 - 11:51

Estimated resolution time: Apr 24 2014 - 11:52

Who is affected: Service has been restored, but users in these buldings had a quick network outage

Affected in what way: Could not connect to the network or HSU resources.

Workaround: n/a

What happened: Multiple circuits in the Oakland area bounced. The circuits are back up, and CENIC (our network provider) has engaged the telco to investigate the temporary outage. CENIC Engineers will continue to monitor the circuits for stability.
