

Peak Business Cycles

HSU has important business activities where system outages, slow system responses, or broken system functionality would significantly impact campus users.

Those business activities (identified by the Chancellor's Office (CO) and Humboldt (HSU))* are listed below.

- During HSU designated periods, no changes can be made to HSU-managed or PeopleSoft** systems.
- During CO designated periods, PeopleSoft system intensive processes must be run outside core business hours (Monday through Friday from 10:00 am to 4:00 p.m.) and the CO has identified a list of those processes (reference Chancellor's Office PeopleSoft Restricted Processes at <http://www.humboldt.edu/its/Chancellors-Office-PeopleSoft-Restricted-Pro...> [1]).

Planned ITS Server Maintenance (<http://www.humboldt.edu/its/servermaintenance> [2]) and actual ITS System Outages (<http://www.humboldt.edu/its/systat> [3]) can be found at their respective webpages.

Please contact Josh Callahan, ITS Director of Enterprise Technology (josh.callahan@humboldt.edu [4] / 707.826.3815) with any questions or comments about this information.
