

Catalogs by Decade

Curator's collection—for information about use or access contact Richard A. Paselk, Curator, Robert A. Paselk Scientific Instrument Museum, Humboldt State University, Arcata, Calif.

1. Emil Greiner, *Supplementary Price List: Chemical Physical Physiological Apparatus*. New York. (1890).

1900-1910

2. Henry Heil Chemical Company. *Illustrated Catalog and Price-List of Chemical Apparatus...etc.* St. Louis, Mo. (1903).
3. Central Scientific Co. *Catalog M, Physical and Chemical Apparatus*. [front cover , title page and first page of Table of contents missing] Chicago (c. 1909).
4. Eimer & Amend *Catalog 1910, Chemical Apparatus & Laboratory Supplies*. New York. (1910).
5. John Griffin & Sons. *Scientific Handicraft....* London (1910) [facimile reprint from the Gemmary]

1911-1920

6. Ducommun Hardware Co. *Illustrated Catalog "A"*. Los Angeles. (1914).
7. Daigger & Company *Laboratory Supplies and Chemicals for Chemists and Bacteriologists*. Chicago. (1919).
8. E. Leitz New York, *Catalog No. 2..Laboratory Apparatus....*New York (1919) [photocopy]

1921-1930

9. Calkins Co L.A. *Cat No 9, Assayers Materials &Laboratory Supplies*. Los Angeles. (≈1920?).
10. Arthur H. Thomas Co. *Laboratory Apparatus and Reagents*. Philadelphia (1921).
11. Eimer & Amend *Catalog B: Microscopes and other Apparatus for Biological Laboratories*. New York. (1923).
12. Fisher Scientific Company. *Fisher Scientific 81*. Pittsburgh (1926).
13. Eimer & Amend *BCM Catalog: Biological, Chemical and Metallurgical Apparatus*. New York. (1927).
14. Laboratory Materials Co. *Catalog D, Chemicals, Laboratory Apparatus and Scientific Books*. Chicago (1927).
15. Pacific Biological Laboratories. *Preserved Zoological Specimens and Mounted Museum Specimens*. Pacific Grove, California (1929).
16. Braun-Knecht-Heiman-Co. *Catalog No. 29 Laboratory Apparatus and Chemicals for Physics—Chemistry—Biology—Agriculture—General Science as required for Educational Purposes*. San Francisco. (1929).
17. Central Scientific Co. *Catalog F, Physical Apparatus and Instruments*. Chicago (1929).
18. L.E. Knott Apparatus Company. *Catalog 34C; Laboratory Equipment for Chemistry: Educational and Industrial*.Cambridge, Mass. (1929).
19. L. S. Starrett Company. *Catalog No. 25: Fine Mechanical Tools*. Athol (1930).

1931-1940

20. Cenco *Reprint No. 10, Chemical Apparatus and Chemicals*. Chicago (1931).
21. W. M. Welch Scientific Co. *Scientific Instruments Laboratory Apparatus and Supplies for Physics, Chemistry and General Science*. Chicago (1931).
22. Chicago Apparatus Company, *Catalog No. 44, Science Laboratory Equipment*. Chicago (1931).
23. Braun Corp. *Catalog No.34, Laboratory Instruments Apparatus and Supplies*. Los Angeles. (1934).
24. W. M. Welch Scientific Co. *Scientific Instruments Laboratory Apparatus and Supplies for High Schools*. Chicago (1935).
25. Eimer & Amend *85th Anniversary Catalog: Laboratory Apparatus and Supplies*. New York (1936).
26. E. Leitz, Inc., *Ultropak*, Ernst Leitz Inc. New York. (1939).
27. Braun-Knecht-Heiman-Co. *Catalog No 40, Laboratory Instruments Apparatus Supplies for Chemical Laboratories, Industrial Control and Development, Hospitals and Clinical Laboratories, Metallurgy and Petroleum, Educational Laboratories, Scientific Research*. San Francisco. (1940). 1168 pp.
28. Braun Corp. *Catalog No 40, Laboratory Instruments Apparatus Supplies for Chemical Laboratories, Industrial Control and Development, Hospitals and Clinical Laboratories, Metallurgy and Petroleum, Educational Laboratories, Scientific Research*. Los Angeles. (1940). [War-time reproduction of Catalog 40, "except as to typography and paper, which because of war conditions, are somewhat inferior."] 1168 pp.
29. Wm. Ainsworth. *Ainsworth Analytical and Assay Balances: Bulletin A-10*. Wm. Ainsworth & Sons, Inc., Denver (1940).

1941-1950

30. Cenco. *Cat J-141, General Catalog Laboratory Apparatus & Scientific Instruments*. Chicago. (1941).
31. Wm. Ainsworth. *Ainsworth Balances: Bulletin A-11*. Wm. Ainsworth & Sons, Inc., Denver (c. 1945).
32. Eimer & Amend/Fisher Scientific Company *Modern Laboratory Appliances...90*. Pittsburg/New York (1942, reprinted 1946)
33. MacAlaster Bicknell Co. *General Catalog of Laboratory Supplies and Equipment...Catalog M-E*. New Haven (1949).
34. Cenco. *Cat J- 150 General Catalog Laboratory Apparatus & Scientific Instruments*. Chicago. (1950).
35. Adolf Frese Co. *Scientific Instrument and Laboratory Supply Catalog*. Los Angeles. (1950).

1951-1960

36. E. Leitz, Inc., *Polarizing Microscopes and Accessories*, Ernst Leitz/Wetzlar, New York. (<1951).
37. American Optical Company Instrument Division. *Scientific Instruments [catalog]*. Buffalo. (1954) [includes price lists for 1954, and 1955].
38. Eugene Dietzgen Co. *Dietzgen, Seveteenth Edition General Catalog*. Chicago. (1955).
39. General Radio Company. *Catalog O*. Cambridge, Mass. (1956) 256 pp.

40. Heusser Instrument Mfg. Co. *Catalog 57, Heusser Precision Balances*. Salt Lake City, Utah.
41. Fisher Scientific Company *Modern Laboratory Appliances, Catalog 59*. New York (1958).
42. E. Leitz, Inc., *Micro Camera Attachments*, Ernst Leitz/Wetzlar, New York. (<1959).
43. E. Leitz, Inc., *The New Research Microscope Ortholux - UAM*, Ernst Leitz/Wetzlar, New York. (1959).
44. Cenco. *Cat J-300, General Catalog Laboratory Apparatus & Scientific Instruments*. Chicago. (1960?) 968 pp.

1961-1970

45. Braun-Knecht-Heiman-Co. (Division of Van Waters & Rogers, Inc.) *Catalog No 63, Laboratory Instruments Apparatus and Supplies*. San Francisco. (1961).
46. General Radio Company. *Catalog R: Electronic Instruments and Standards*. Cambridge, Mass. (1963) 274 pp.
47. Scharf Scientific Company, *Selected Laboratory Equipment and Chemicals 63/64*. Chicago (1963).
48. Hewlett Packard. *Electronic Test Instruments (Catalog No. 25)*. (1965) 400 pp.
49. Scientific Products. *A Catalog of Equipment and Supplies for Clinical, Industrial, Educational and Research Laboratories*. Evanston (1968).
50. Van Waters and Rogers. *Catalog 69 Scientific Apparatus instruments and supplies for: Industrial, Educational, Clinical and Research Laboratories*. San Francisco (1968).
51. The Welch Scientific Company. *Welch Laboratory Apparatus, 1968 Edition*. Skokie Illinois ((1968)
52. Sargent-Welch Scientific Company. *Physics apparatus for education, 1971-1972*. Skokie, Illinois (1970).
53. Hewlett Packard. *Electronics for Measurement, Analysis, Computation*. (1970) 647 pp.

1971-1980

54. E. Leitz, Inc., *Leitz Ortholux Research Microscope*, Ernst Leitz/Wetzlar, Rockleigh. (1971?).
55. General Radio Company. *General Radio Catalog 73*. Cambridge, Mass. (1972) 359 pp.
56. Leeds & Northrup Co. *Leeds & Northrup 1973 General Catalog*. North Wales, Pa. (1973)
57. The Ealing Corporation. *Ealing 76/77*. South Natick, Mass. (1976) 858 pp.
58. Cenco. *Central Scientific Catalog*. Central Scientific Co. Chicago. (1976) 704 pp + indexes.
59. VWR Scientific Inc. *Scientific Apparatus Catalog 78*. (1977).
60. Gaertner Scientific Company: Collection of Bullitins in a binder with 1978 price lists (*Industrial Measuring Equipment; Cathetometers; Measuring Microscopes; Coordinate Positioning Stage; Tool Makers Microscope; Dilatation Interferometers; plus miscellaneous*). Chicago (1978).
61. Klinger Educational Products Corp. *Klinger Educatioonal Physice Catalog*. Jamaica, NY (1978) 88 pp.
62. General Radio Company. *GenRad Catalog 78*. Cambridge, Mass. (1978) 255 pp.

63. Sargent-Welch Scientific Company. *1980-81 Science Education Catalog*. Skokie, Illinois (1979).
64. Pasco Scientific. *1980 Catalog of Scientific Apparatus for Lecture Demonstrations and Student Labs*. San Leandro, CA (1979) 96 pp.
65. Arthur H. Thomas Company. *Thomas Scientific Apparatus*. Philadelphia (1980).
66. Fisher Scientific Company. *Fisher Scientific 81: apparatus, chemicals, furniture and supplies for industrial, clinical, college and government laboratories*. Pittsburgh (1980).
67. Hewlett Packard. *Electronic Instruments and Systems*. (1980) 712 pp.
68. Cenco. *Central Scientific Company, Physics/Chemistry*. Franklin Park (Chicago), IL. (1980) 582 pp.

1981-1990

69. The Ealing Corporation. *Ealing Optics Catalog*. South Natick, Mass. (1981) 464 pp.
70. Cenco. *Cenco '99*. Central Scientific Co. Franklin Park IL. (1989) 793 pp.
71. Newport Corporation. *Newport Catalog*. Fountain Valley CA (1989)
72. Fisher Scientific. *The Fisher Catalog*. Pittsburgh (1990).

1991-2000

73. Cenco. *Cenco 1989 Catalog*. Central Scientific Co. Franklin Park IL. (1999).
74. Thomas Scientific. *Thomas Scientific Catalog*. Swedesboro, NJ (2000 – Centennial Anniversary Catalog).

2001-

75. Fisher Scientific. *The Fisher Catalog*. Pittsburgh (2002 – Centennial Anniversary Catalog).
