GSP 570: Geospatial Modeling - change pre-req from GSP 470 to GSP 370 because the faculty believe that GSP 370 will provide sufficient preparation for the course.

11-466 - HSU New Course Proposal, GEOG 309 C "Social Justice in Africa"

This will be a new Area B UD course intended to be offered only as part of the Summer Semester in Senegal. The Area B SLO matrix (which is part of the proposal) clearly demonstrates the various activities, assignments, and assessments that will enable students to solidly meet the UD GE B Guidelines.

Note: This course was also originally proposed as a CWT course. The ICC has *not* approved that portion of the proposal for several reasons. 1) CWT courses are intended to be courses that satisfy SLOs for more than one UD GE area; this course has applied to be only an Area B course. 2) The straw poll at the 2/25 Senate meeting recommending elimination of CWT suggests that it would be foolish to approve this as a CWT course only to have the designation disappear within the next year.
