BIOLOGY MINOR--COURSE APPROVAL FORM

Required: Biology 105--Principles of Biology  
Botany 105--General Botany  
Zoology 110--Introductory Zoology

One of the following:  
Biology 410--Cell Biology  
Botany 310--General Plant Physiology  
Zoology 310--Animal Physiology

Plus eight (8) additional upper division units from biology, botany, or zoology approved by the minor advisor. (At least two of these areas must be included in the eight units.) The minor must include a minimum of six units of UD courses in addition to the courses required for the major.

NOTE: Upper Division GE courses that do not have prerequisites cannot be used for minor credit.

Courses approved by the Minor Advisor:
