Application Organization of the Master’s Student Grant Proposals

DEADLINE: All application materials must be submitted to the Biology Dept. Office, SciB 221, by 5:00 PM on March 30, 2015.

Cover Sheet (use the form on the next page)
** Signature of major professor is required

Summary of Proposed Research
** This section, along with the Budget, must be double-spaced and, when combined, the two should not exceed three pages. Use a 10 or 12 point font and 1 inch margins all around.
- State in one sentence the goal of your project
- Provide background information related to proposed work (here you can include references to critical published work)
- Explain the hypothesis(es) and/or expected results of your research plan
- Discuss the broader significance of the project (e.g. how and what will it change in the way we understand things in that area of research; who should care about the results of your research)
- Experimental design and methods used
- Detailed timeline for proposed work
- Progress on the research proposed (if applicable)

Budget
- Proposed itemized budget, including justification for items in expendable supplies, transportation, and other categories as necessary
- Other sources of funding to which you have applied

Literature Cited

Curriculum Vitae
- One page limit
- Date of matriculation as a Classified Graduate Student in the Department
- List of courses attempted, completed, and grades earned
- Relevant research experience
