Credential Program Application

(Section 1)
Don't miss this!

A Tale of Two Applications:
California State University and Credential Program

Applying to HSU's Admissions and Records Office and applying to the Credential Programs Office are entirely separate procedures, and both are essential for your entrance into our program. Application to HSU costs $55; application to one of our credential programs is free.

After November 1 and before February 15, apply online to HSU on the CSUMentor.edu website using the directions in this application.

Warning: A $55 fee is charged for changing the semester for admission. For example, if you apply for fall semester and want to change to summer semester admission, you will be charged an extra $55.

Exceptions:

• Will you still be classified "undergraduate" next fall (finishing one or two final courses)? If so, contact HSU's Admissions and Records Office in August. They will help you apply for graduate status for the coming spring semester. In April you will need to preregister for fall classes (to avoid a late fee). Later you will have to petition Admissions and Records to count your fall semester education and credentialing courses toward your credential.

• Are you already a graduate or postbaccalaureate student? Make certain your stated objective (in the Admissions and Records Office) is a teaching credential in the program of your choice (i.e., Multiple Subjects Teaching Credential for EED or Single Subject Teaching Credential for SED). To change your objective, contact the Credential Programs Office. You will need to preregister for fall classes to avoid a late fee. All other credential programs students register as a group at the beginning of fall semester.

Which Transcripts? Where?

If you have graduated from Humboldt State (or soon will):

Your official transcripts are already on file with Admissions and Records. However, for the purpose of screening your application, the Credential Program Office still needs you to attach to this page:

1. unofficial transcripts (or photocopies) from all schools attended (not just the total of transferable units appearing on your HSU transcripts) and
2. copies of grades not appearing on those transcripts.

If you are a graduate of some other college/university (or soon will be):

You must have official transcripts from all colleges or universities attended sent directly to Admissions and Records. If you graduate after your HSU application is submitted, you need to send official transcripts with your BA/BS degree posted directly to the HSU Office of Admissions.

In addition, for the purpose of screening your application, the Credential Program Office still needs you to attach to this page:

1. unofficial transcripts (or photocopies) from all schools attended
2. copies of grades not appearing on those transcripts.

The California Commission on Teacher Credentialing (CCTC) requires apprenticeship experience in **two** of the following three grade level options: (K-2), (3-5) and (6-8) grades. You will have two fieldwork placements: one fall semester and one spring semester. HSU requires a minimum of three days solo teaching in the fall placement and a minimum of two weeks solo teaching in the spring placement. If, for example, you want to become a primary grade teacher, your fall placement should be in the upper grades, and your spring placement should be in a primary grade.

CCTC requires significant apprenticeship experience in a classroom with English language learners (ELL) for a Multiple Subjects Credential. School districts serving English language learners include: Del Norte County Unified (Bess Maxwell, Crescent Elk, Joe Hamilton, Smith River), Eureka City Schools, South Bay, Loleta, Fortuna, Rio Dell, Rohnerville, and Fort Bragg in Mendocino County. Morris School in McKinleyville is a Spanish Immersion school.

A multigraded classroom is another option you may choose. Below, please indicate the general areas and, if known, the specific schools where you would like to do your fieldwork. The general areas are Del Norte County, Northern Humboldt, McKinleyville, Arcata, Eureka, Klamath/Trinity, Fortuna, and Southern Humboldt. You may not student teach in a school that your children attend.

If you have taught under an emergency permit and want to use this experience to meet part of your fieldwork requirements, you must have a letter of recommendation from the principal of the school where you taught as one of your three letters of recommendation in this application to the EED program.

Apply for your Certificate of Clearance online by following this process. If you have an arrest record, contact the CTC to find out what additional records you will need to mail to them and contact the program coordinator for advice.

**Step One:**
1. Visit the Commission on Teacher Credentialing’s webpage to view their Certificate of Clearance Checklist: [http://www.ctc.ca.gov/credentials/online-services/pdf/COC.pdf](http://www.ctc.ca.gov/credentials/online-services/pdf/COC.pdf)
2. Follow the instructions on the checklist.
3. Download, print, and fill out the “Live Scan form (41-LS).” The link titled “form 41-LS” on the checklist will take you to the PDF version of this form.
4. Humboldt County residents are advised to use the HSU Campus Police Department (located on the ground floor of the Student Business Services Building) for their Live Scan fingerprinting.
5. If you live out of the area and need to find an alternate location for the Live Scan, click on the “Live Scan station” link on the CTC’s Certificate of Clearance Checklist. You can then search by county to find the nearest location for fingerprint services.
6. Take your Live Scan form to the location and get fingerprinted. Make sure that the LiveScan operator makes you two copies of the completed form. Keep one for yourself and one for the credential program.

**Step Two:**
1. After your fingerprints have been scanned, return to the CTC website at: [http://www.ctc.ca.gov/credentials/online-services/default.html](http://www.ctc.ca.gov/credentials/online-services/default.html) and click on “EDUCATOR PAGE”
2. Click on the button with the green arrow at the bottom that says “Continue to Online Direct Application”.
3. Enter the required information and continue. Follow the steps on the CTC website. You will need to create an acct. Use this link to help you through the process: [http://www.ctc.ca.gov/credentials/online-services/pdf/web-app-tips.pdf](http://www.ctc.ca.gov/credentials/online-services/pdf/web-app-tips.pdf)
4. When you are prompted to select a document type, be sure to select “Certificate of Clearance”. **IT IS VERY IMPORTANT THAT YOU CHOOSE THIS OPTION (AND NOT ANY SORT OF CREDENTIAL) IN ORDER FOR YOUR APPLICATION TO BE PROCESSED.**
5. Answer the professional fitness questions, and continue. If you have an arrest record, contact CTC to find out what additional records you need to mail to them.
6. Pay the $37.00 fee using a VISA or MasterCard and submit. **If the charge amount is ANYTHING OTHER THAN $37, then you selected an incorrect certificate title.** Use the back buttons to go back to the Credential Selection page and choose “Certificate of Clearance”.
7. Print your fee confirmation number and keep for your personal records.

**Step Three:**
1. An email will be sent to you within approximately one week (or possibly longer) indicating your clearance status. Follow the link and the instructions provided.
2. Write your Certificate of Clearance number here and on the Cover Page: **Certificate of Clearance Document Number:** ____________________________ **Issue Date:** _______________
3. To look up the status of your Certificate of Clearance, follow these instructions: [http://www.ctc.ca.gov/credentials/online-services/pdf/profile-status-tips.pdf](http://www.ctc.ca.gov/credentials/online-services/pdf/profile-status-tips.pdf)

For elementary education applicants who don't meet the minimum GPA required for admission.

CSU Executive Order 1032 governs admission to all CSU teacher preparation programs statewide. In compliance with CSU policies, the School of Education at HSU limits the number of individuals not meeting GPA requirements who may enter credential programs on "exceptional admissions" status.

For the Elementary Education program at Humboldt State University, the following regulations apply:

1. It is the responsibility of each applicant to initiate the GPA appeals process. Appeals applicants must contact the Elementary Education Coordinator, Bryn Coriell, at 707-826-5108, as soon as possible for advising. The applicant shall read and sign this form signifying knowledge and understanding of the regulations.

2. Appeals applicants must turn in a completed appeals application packet postmarked or delivered to the Credential Programs Office (HGH 202) by 5 p.m. of the due date. Appeals applications not complete by this date will receive no further consideration.

3. The appeals application packet must contain:
   a. Official documentation of passing CSET scores or proof of registration for a January test date. Applicants must pass the CSET on or before January to be considered for admission.
   b. Two non-confidential letters of recommendation from college/university faculty members who have recently had the applicant in class and can evaluate the applicant's ability to succeed academically in the credential program. These recommenders are in addition to and different from the three recommendations in the standard part of the application process.
   c. A one- to two-page narrative, written by the applicant, that 1) states reasons for the GPA being lower than the minimum required, 2) explains what the applicant has done and will continue to do to strengthen subject matter areas in which low grades were earned, and 3) describes how the applicant may use his/her own low-GPA experience to help other students.

4. The decision of the Appeals Committee is final.
