Applicant Signature

Submit the completed application NO LATER THAN FEBRUARY 1 to:
School of Education Credential Programs Office, Humboldt State University, Arcata, CA 95521-8299

See our Tips for Credential Applicants webpage:
http://humboldt.edu/education/programs/credential-programs/tips-for-credential-applicants
Your application to the California State University system is due February 1. This is in addition to the credential program application, which you are currently reading. Please follow the steps below to apply online. Please attach the print-out of your HSU application confirmation to this page. We will not accept your Credential Program application unless you have attached the confirmation print-out of your online CSU application.

Please note that the application is available online only until 5:00 p.m. on February 1, so you need to be certain to apply online to the CSU before the deadline.

1. Log on to: California State University online
2. Click on the “Apply Online” Tab
3. Select “Humboldt State University Graduate” and click “Start New Application”. Scroll to the very bottom and click “Begin Application”. It is very important for your tuition assessment and financial aid allowance that you apply to the CSU as a graduate student.
4. Follow the directions. Under “Enrollment Plans”, select your “Term” and your “Major Program Objective”.
5. Under Degree/Credential Objective, for “Degree Objective”, select “NONE”.
6. For “Educational Credential Objective”, select the credential program of your choice. For Secondary Education, select “Teaching Credential: Single Subject”.
7. For “Statement of Purpose”, you may write “submitted to the education office”.
8. Please skip the section on Letters of Recommendation.
9. Once complete, print out the confirmation page at the end of your online application.
10. Staple the confirmation to this page.

A Tale of Two Applications:
California State University and Credential Program

Applying to HSU's Admissions and Records Office and applying to the Credential Programs Office are entirely separate procedures, and both are essential for your entrance into our program. Application to HSU costs $55; application to one of our credential programs is free.

After November 1 and before February 1, apply online to HSU on the CSUMentor.edu website using the directions in this application.

Warning: A $55 fee is charged for changing the semester for admission.

Note:
- Will you still be classified "undergraduate" next fall (finishing one or two final courses)? If so, contact HSU's Admissions and Records Office in August. They will help you apply for graduate status for the coming spring semester. In April you will need to preregister for fall classes (to avoid a late fee). Later you will have to petition Admissions and Records to count your fall semester education and credentialing courses toward your credential.
- Are you already a graduate or postbaccalaureate student? Make certain your stated objective (in the Admissions and Records Office) is a teaching credential in the program of your choice (i.e., Multiple Subjects Teaching Credential for EED or Single Subject Teaching Credential for SED). To change your objective, contact the Credential Programs Office. You will need to preregister for fall classes to avoid a late fee. All other credential programs students register as a group at the beginning of fall semester.

Which Transcripts? Where?

If you have graduated from Humboldt State (or soon will):

Your official transcripts are already on file with Admissions and Records. However, for the purpose of screening your application, the Credential Programs Office still needs you to attach to this page:
- unofficial transcripts (or photocopies) from all schools attended (not just the total of transferable units appearing on your HSU transcripts) and

If you are a graduate of some other college/university (or soon will be):

You must have official transcripts from all colleges or universities attended sent directly to Admissions and Records. If you graduate after your HSU application is submitted, you need to send official transcripts with your BA/BS degree posted directly to the HSU Office of Admissions.

In addition, for the purpose of screening your application, the Credential Programs Office still needs you to attach to this page:
- unofficial transcripts (or photocopies) from all schools attended

Address for your official transcripts to be sent:
Office of Admissions
Humboldt State University
Arcata, CA 95521
Subject Matter Competency

Credential candidates must establish their knowledge of the subject area(s) they wish to teach by completing either the appropriate CSET exams or a waiver-approved baccalaureate subject matter program. (Such programs usually include “Education” or “Teaching” as part of the major name, like English Education, Math Education, etc.) Indicate below which of the following ways you will fulfill subject matter preparation.

Note: In addition to demonstrating subject matter competency via exam or major, all candidates must undergo Subject Matter Departmental Review. For more information, please visit our website.

☐ State Approved Subject Matter Exams

If exams have been passed, attach your test scores to this form.

If exams are pending: You may register online for the CSET at: http://www.cset.nesinc.com. Please attach your registration confirmation to this page. Contact our office with any questions regarding the appropriate tests to take. The June test date is the latest test date that will have results posted by August 1st. Our office must receive your passing scores before the start of fall semester. If you haven’t yet taken the test(s) or you haven’t received confirmation of passing, sign the following statement:

I understand that the Secondary Education Program of Humboldt State University, along with CSU Executive Order 1032, requires that I pass all the CSET examinations in my subject area before beginning the Secondary Education Program at the beginning of August.

Signature: __________________________ Date(s) you are registered to take the exams: __________________________

☐ HSU Subject Matter Program in __________________________

Please have your subject matter program advisor sign the following statement.

I verify that (student’s name) __________________________: 
_____ has completed all the requirements of the CCTC-approved subject matter program at HSU.
_____ needs to complete coursework in order to be eligible to begin the credential program in the fall semester. The candidate is aware of all remaining courses required to complete the program.

If courses are pending, please have your subject matter program advisor attach an additional page listing all outstanding (or currently enrolled) courses required for subject matter program. Sign the following statement:

I understand that the Secondary Education Program of Humboldt State University, in accordance with California State University Executive Order 1032, requires that I complete all courses in my approved subject area program before January 1, prior to full-time student teaching.

Candidate Name __________________________ Candidate Signature __________________________

Advisor’s Signature: __________________________ Date: __________________________

☐ Subject Matter Program in __________________________ (subject) from another institution.

Submit verification of your completed (or four-fifths completed) subject matter program on the letterhead stationery of your school, signed by a CCTC-approved signatory from your school. Often the proper signature comes from the credential analyst. Call (707) 826-5867 if you have questions regarding the designated official at your school.
Prerequisites

Technology Competency Verification

Candidates are required to demonstrate entry level computer competency. Please indicate the option you have met or will meet by the second week of August.

Please attach a copy of your high school transcript that shows the test date and score (must be 3, 4, or 5).

☐ If you have not met this requirement as of the application deadline, please sign the statement below:

I understand that I must satisfy the US Constitution requirement before I can be recommended to the California Commission on Teacher Credentialing for a teaching credential.

Signed: ___________________________

Accreditation

☐ Check here if your bachelor’s degree is (or will be) from a regionally accredited college/university. All UC and CSU schools, for instance, are regionally accredited. Note: HSU is not responsible for credential denial due to improperly accredited undergraduate work.

I authorize RELEASE of my application materials and credential status information to 1) School of Education faculty/staff, 2) school districts, 3) County Board of Education offices, 4) the California Commission on Teacher Credentialing, and 5) other colleges/universities.

*Depending on your scores on the Early Assessment Program (EAP) Exam or on the CSU English Placement Test (EPT) and Entry Level Math (ELM) exam, you may be exempt from this requirement. On the EAP, you need to score “College Ready” or “Exempt”. To use ELM/EPT test scores, you need to score at least 50 on the ELM and 151 or higher on the EPT. You will need to submit an original score report verifying your scores by February 1st along with this application. For more information on this option, contact the credential coordinator:

Student Teaching Placement Preferences

- You may state a preference for any grade 7-12 classroom in a public school in California.
- Student teaching placements are arranged by the Program Coordinator in conjunction with district and school administrators.
- For local placements, candidates should not arrange their own placements. For distance placements, the Program Coordinator is also responsible for arranging placement, but candidates may be asked to connect with the school community during the application process in order to assist in securing a placement.
- Circumstances may not permit the honoring of preferences.
- Candidates must arrange transportation to school sites.
- HSU prohibits assignments in a school attended by the student teacher’s children or direct relatives. If any close relationship exists between a student teacher and a member of a school’s staff or faculty, the Fieldwork Coordinator should be informed prior to a placement being made.
- It is program policy that student teachers will not be placed at any school they have attended.

Indicate if you have preference for grade level, location, school, or school district to complete your student teaching:

________________________________________________________________________

________________________________________________________________________
Before entering the secondary education program, applicants must complete successful field experience with students in departmentalized classrooms in the grade levels in which they plan to teach. Forty-five hours are required.

Option 1: TO MEET THIS REQUIREMENT THROUGH COURSE WORK:

- Course number and university (for instance, "SED 210/410 at Humboldt State," or a similar course from another institution):
- Semester completed (if current, attach proof of registration):
- Number of hours spent in classrooms with linguistically diverse students:

-OR-

Option 2: TO MEET THIS REQUIREMENT ON AN INDIVIDUAL BASIS:

Have this form completed and signed by the credentialed teacher of record who may not be a family member. Make additional copies if you participated in several classrooms.

I (print teacher name), a single-subject credentialed teacher, verify that (applicant's name) has completed the hours specified below observing/participating in a secondary classroom in an accredited school.

District: School: Grade:

Health Verification

All students entering one of our credential programs must verify a current (less than two years old) tuberculosis (TB) test. Credential candidates also need to verify a vaccination for measles, mumps, rubeola and rubella (MMR). You may obtain these vaccinations from the HSU Student Health Center or a private physician or clinic.

Verification must include either the agency stamp or an attached statement on letterhead stationery. We cannot accept signatures only.

You will ALSO need to provide your measles (MMR) documentation to HSU’s Student Health Center in order to register for classes (see admission information in the HSU catalog).

Once this page is complete and your vaccinations are verified, please include the original form with your application to the credential program and SUBMIT A COPY TO THE STUDENT HEALTH CENTER: Fax #: (707) 826-5042.

Please limit your typed responses to one-half of a page per question. Include your name and "Section 5" in upper right-hand corner, and attach to this page. Your typed responses will be assessed as one of multiple measures of your writing skills and professional dispositions.

NAME: 

1. Describe any tutoring, youth group work, teacher’s aide, Vista, Peace Corps, or other experiences related to teaching and how it impacted you.

2. Have you been involved in curricular or community activities (clubs, student government, service organizations)? If so, list groups and nature of involvement, and describe how the experience changed your ideas about the purpose of education.

3. Can you read or speak any language other than English? (Including signed languages.) What is your level of competence?

4. What other skills or experiences (artistic, technical, physical, organizational, etc.) will enhance your performance within the teaching profession and how will they accomplish that?

5. Describe past experiences that have helped you develop multicultural competencies and how they have prepared you to work with students and families from diverse ethnic, linguistic, and/or socioeconomic backgrounds.
Write a professional goal statement. In this one to two page typed essay, include:

1) why you want to become a teacher,
2) the special attributes you bring to the profession, and
3) explain why you chose HSU to pursue your teaching credential. Please refer to the mission statement below and discuss how this framework supports your vision of teaching and learning.

The mission of the School of Education is to prepare knowledgeable and effective education professionals to promote excellence and equity with students of diverse talents and cultural backgrounds in rural and urban settings. We develop professionals who are committed to reflective practice, scholarship, collaborative action, and social justice to take leadership in improving the quality of education for all students.

Candidates in School of Education programs…

• Demonstrate an ability to work effectively with diverse students, parents, colleagues, staff, and others in the community;
• Develop and maintain safe, positive, and productive educational environments;
• Use research-based practice to inform their work;
• Demonstrate a coherent theoretical framework of learning and human development that supports reflection on their practice;
• Collaborate on efforts to improve education opportunities for all students.

Your professional goal statement will be assessed as one of multiple measures of your writing skills.

Please complete a numerical ranking of these attributes below by circling the appropriate value. Note: Individuals who write a letter of recommendation for you will be asked to complete this same ranking of your personal attributes.

The Family Education Rights and Privacy Act of 1974 as amended extends to a student who is admitted and enrolled in the Secondary Education Program at Humboldt State University the right to review the student records maintained for his or her educational benefit. The admission applications are maintained by the Credential Programs Office. Under the law, the student may waive his or her right of access to confidential letters and statements of recommendation received during the application process which are used for admission purposes. Waiving or retaining the right of access to review the records will not prejudice or enhance your prospects for admission. Experience indicates, however, that persons submitting recommendations and other information pertaining to applications are more likely to do so with full candor and regard for the best interests of the applicant if they are assured that what they say will be held in confidence.

Name of Recommender: ______________________________

The above-named applicant to our program would like you to evaluate her/his potential as a teacher. Please complete a numerical ranking of the attributes listed below by circling the appropriate value. As part of the application process, the applicant supplies a self-assessment of these same attributes.

In addition to this ranking, please type a separate letter of recommendation on your own letterhead stationery. Address the period of your professional relationship with the applicant, and provide specific supporting statements about the applicant’s communication skills, professional conduct, and potential for success as a teacher. Please return both forms to the student in a sealed/signed envelope or directly to the SED Program Coordinator, HSU Secondary Education Program, 1 Harpst Street, Arcata, CA 95521, by mid-January for inclusion in her/his admission packet, which is due February 1.

Apply for your Certificate of Clearance online by following this process.

These instructions are from the CTC website and are subject to change at any time.

1. Print one copy of the Live Scan form found here: Live Scan form (41-LS). Complete your information on the form and take it to a location offering LiveScan electronic fingerprint services (Click here for a listing of Live Scan locations and information). Humboldt County residents are advised to use the HSU Campus Police Department (located on the ground floor of the Student Business Services Building) for their Live Scan fingerprinting, as it costs less than other Humboldt County agencies.

2. You will be charged a processing fee to the LiveScan operator for your prints to be scanned. Make sure that the LiveScan operator makes you two copies of the completed form. Keep one for yourself and one for the credential program.

3. After getting fingerprinted, navigate to the California Commission on Teacher Credentialing’s Online Service page found here and complete the Direct Web Application for the Certificate of Clearance. Click here for step-by-step instructions.

4. You will have to create an account and answer the professional fitness questions. If you have ANY sort of an arrest record, contact the CTC to find out what additional records you must mail to them.

5. Submit by credit card the required transaction fee of $37.00 (all online transactions are subject to a $2.00 service fee in addition to the $35.00 application fee). Immediately following the successful submission of the online application, an email will be sent containing a confirmation number. If you are being asked to pay any amount other than $37.00, you have selected an incorrect certificate title. Use the back button to go back to the Credential Selection page and choose “Certificate of Clearance”.

6. An email will be sent to you in approximately 10 business days (or possibly longer) indicating your clearance status. Follow the link and the instructions provided.

7. Write your Certificate of Clearance number here and on the Cover Page:
   Document Number: __________________________ Issue Date: __________________________

8. To look up the status of your Certificate of Clearance, follow these instructions:
   http://www.ctc.ca.gov/credentials/online-services/pdf/profile-status-tips.pdf
CSU Executive Order 1032 governs admission to all CSU teacher preparation programs statewide. In compliance with CSU policies, the School of Education at HSU limits the number of individuals not meeting GPA requirements who may enter credential programs on "exceptional admissions" status.

For the Secondary Education program at Humboldt State University, the following regulations apply:

1. It is the responsibility of each applicant to initiate the GPA appeals process. Appeals applicants must contact the Secondary Education Assistant Coordinator, at 707-826-5867, as soon as possible for advising. The applicant shall read and sign this form signifying knowledge and understanding of the regulations.

2. Appeals applicants must turn in a completed appeals application packet postmarked or delivered to the Credential Programs Office (HGH 202) by 5 p.m. on February 1st. Appeals applications not complete by this date will receive no further consideration.

3. Upon receiving the completed appeals application packet, the Credential Programs Office will forward the packet to the appropriate subject-area advisors, who will add their recommendations to the packet. The recommendations should include an Appeals Remediation Plan focusing on the activities in which the candidates will engage in order to address any deficiencies in their course of study. Possible activities include the following: additional coursework; attendance at a professional conference; completion of the state-approved subject matter program exams (CSET); or specific tasks, i.e., research, assigned readings, composition of papers, etc.

4. The packet, including all recommendations and the Appeals Remediation Plan, is returned to the Credential Programs Office.

5. The Secondary Education Appeals Committee will make the final decision on admission of appeals candidates based on these recommendations and other criteria established by the Education and Credential Program. The decision of the Secondary Education Appeals Committee is final.

6. The appeals application packet must contain:
   a. Two confidential letters of recommendation from college/university faculty members who have recently had the applicant in class and can evaluate the applicant's ability to succeed academically in the credential program. The letters should be attached to the following forms. These are in addition to and different from the three recommendations in the standard part of the application process. Send these letters to: Secondary Education Appeals Committee, c/o SED Program Coordinator, Credential Programs Office, Humboldt State University, Arcata, CA 95521.
   b. A one- to two-page narrative, written by the applicant that 1) states the reasons for the GPA being lower than the required minimum; 2) explains what the applicant has done and will continue to do to strengthen subject matter areas in which low grades were earned; and 3) describes how the applicant may use his/her own low-GPA experience to help their own future students.
