You’ve Been Accepted to Humboldt State...Now What?

- If you have not already done so, please confirm your plans to attend Humboldt State University (or let us know of a change of plans) at http://www.humboldt.edu/records/confirm

- Complete and return the On-Campus HOP Reservation Form early (enclosed in this brochure)
  Reservation Form also available at http://www.humboldt.edu/firstyear

- Complete the Freshman Interest Group (FIG) section of the on-Campus HOP Reservation Form (optional)
  Reservation Form also available at http://www.humboldt.edu/firstyear

- Complete and return the Outdoor Adventures Reservation Form
  Reservation Form also available at http://www.humboldt.edu/firstyear

- Select a Humboldt HOP Session
  - Online Orientation (for qualifying Transfer Students Only)
  - June 20-22 Freshmen or June 20-21 Transfers
  - June 27-29 Freshmen or June 27-28 Transfers
  - July 18-20 Freshmen or July 18-19 Transfers
  - August 15-17 Freshmen or August 15-16 Transfers (the week before classes begin)
  All On-Campus HOP Sessions have complete family and guest programs at the same time.

- Complete your Pre-Registration Checklist: http://www.humboldt.edu/~reg/pdf/PreRegCheckList.pdf

- Apply for on-campus housing early because space is limited. Housing will email all admitted students who submitted a Housing application a link to the 2007-08 on-line license materials. The link to the license materials is only sent to students who have applied for housing and who have been admitted to the university. After the initial email mailing, license packet links will be distributed on a weekly basis to all newly admitted students.
  To ensure your best opportunity to receive your preferred housing location, you must submit the documents as soon as possible after receiving them. Rooms are assigned on a first come, first serve basis determined by the date the completed license materials and the initial payment are received from you.
  Visit http://www.humboldt.edu/~housing

  For information on off-campus housing, please visit: http://www.humboldt.edu/~housing/offcampus/

- Register for the English Placement Test (EPT) and/or Entry Level Math Exam (ELM) if not exempt (see page 9). We strongly encourage you to register for the March 17 or May 5 tests (the deadline to sign up is March 2 or April 20). There is also a placement test on June 16th, the deadline to sign up for the test will be June 1. We will not get your scores in time for the June or July session if you take the exams at another CSU after May 5.
  For more information, please call (707)826-3611 or visit http://studentaffairs.humboldt.edu/testing

- Have your Official SAT, ACT, or ELM/EPT scores sent to the Office of Admissions, 1 Harpst St, Arcata, CA 95521

- Get copies of your immunization records and complete the HSU Health Center Registration and Consent Forms.
  For more information, please call (707) 826-3146 or visit http://studentaffairs.humboldt.edu/health.

- Make travel arrangements (see page 14) for your: 1. HOP session; and 2. Arrival for the start of the term.
  Instruction begins on Monday, August 20, 2007.

- For information on Financial Aid: You can begin submitting the Free Application for Federal Student Aid (FAFSA) of January 1, 2007. Humboldt administers a broad range of federal, state and local financial programs, including loans, grants and work study jobs. Apply early! You may access the FAFSA on the web at http://www.fafsa.ed.gov or request a paper form from most high schools, colleges or universities.
  Toll free number for Financial Aid is 866-255-1390 or you can visit their website: http://www.humboldt.edu/~fnaid/
Welcome to Humboldt

Getting started with Humboldt Orientation Program’s (HOP) Student Orientation, Advising and Registration for all new students:

We are very pleased to welcome you to the Humboldt State community. We want to provide you with a strong start and the foundation for a successful experience at Humboldt State that will ultimately allow us to cheer for you at graduation as you walk across the stage!

The mandatory Student Orientation, Advising, and Registration sessions (HOP for short) allow you to receive advising and register for your first semester classes. All of our HOP sessions are designed to communicate what it means to be a member of the Humboldt State community consistent with the University’s mission to maintain academic excellence, prepare students to be socially responsible members of diverse societies, and to use their education to make a positive difference.

Each HOP session will:
• Provide you with academic and major advising
• Provide assistance with schedule planning and registration for fall classes
• Provide social programs and share social opportunities and expectations
• Acquaint you with the Humboldt State campus and surrounding community
• Inform you about degree requirements, course offerings, and academic support services
• Create connections with faculty, staff, administrators, and current students
• Provide a comprehensive orientation for families and guests of new students

Peer Groups (peer advising) are the heart of Humboldt’s HOP sessions. Much of the experience is built around a series of peer group meetings. Current students complete extensive training to serve as peer counselors. We look forward to meeting you this summer!

Come visit Humboldt State University on April 13 and 14 for our annual Spring Preview. This is a perfect opportunity to attend college lectures and student services presentations, tour the campus and residence halls, meet faculty, staff and students and experience our truly amazing campus. Your invitation for Spring Preview will be sent out in February.

If you can’t wait for Spring Preview, or if you miss it, we have student-guided tours Monday through Saturday. Email the Admissions Center at: welcome@humboldt.edu or call toll-free (866) 850-9556 to arrange your personal campus visit.

http://studentaffairs.humboldt.edu/hop

**Which Session is Right For You?**

June & July Session Information

- The summer sessions are smaller than the August session thus offering more time for personal attention and one-on-one assistance.
- These sessions are the first opportunity new students have to register for fall classes, providing a wider selection of available classes.
- You and your guests can stay in the residence halls during the summer sessions which provides a great way to meet other new students and families, and make friends before school starts.
- You can take care of university related business right away (talk with financial aid, look for a job, etc.) and return in August relaxed and ready to go.

August Session Information

- It is more convenient to make just one trip to Arcata. In August you can move directly into your residence hall room (if you will be living on campus) or your off-campus housing for the year, and complete your HOP session the week before you begin classes.
- There is social programming the weekend before classes to help you get involved.
- Most campus offices are open and ready to help you get off to a strong start.

BOOK OF THE YEAR

Each year HSU and the College of the Redwoods select a Book of the Year. All students, staff, and faculty are encouraged to read this year’s selection, Kite Runner, and participate in some of the activities organized around the book during the Fall Semester 2007.

Visit the HOP Website for updated information and a current itinerary.
HOP Fees for Students

A one-time non-refundable $50.00 Student Orientation, Advising & Registration fee is included in the first semester fees of all new Humboldt students. This fee covers all the services previously listed in the HOP session description, a university catalog and current schedule of classes. Students who register for classes during the June session receive an email bill in early July. Students who register for classes during the July and August sessions receive an email bill within 24 hours of registering. Email bills are sent to a student's preferred email address and reflect the balance due and the payment due date.

Humboldt is Affordable

Our cost of attendance is among the lowest in the California State University (CSU) system and is significantly lower than the University of California and four-year private colleges. Undergraduate registration fees will be $1857* per semester. Estimated costs for Fall 2007 CA residents, including fees, books and supplies, food and housing, transportation and personal expenses are $15,700* for the academic year. To speak with someone, call (707) 826-6789.

* Estimate for Fall '07

HOP Fees for Family & Guests

Three Day June and July Sessions: $50 or Two Day August Session: $40

This does not include housing. Complete housing and meal options are listed on page 7 and 8. There will be an additional $10 late fee for reservations received after the deadlines listed on the reservation form.

Family & Guest Orientation

Section E on Reservation Form

For the next few years Humboldt State will be your daughter’s/son’s home away from home. We recognize that families and friends play a critical role in the success of college students. Our family and guest programs run concurrently with the HOP sessions. Our June and July Family and Guest Programs are three days with a two day option for guests of transfer students. Our August Family and Guest program is two days.

The June and July family and guest programs offer families and guests the option of staying in the residence halls. The August family and guest program does NOT offer the option of on-campus housing for families and guests, since students will be moving into the residence halls that week. You will have the opportunity to talk to academic deans, faculty members, administrators, and current students. The Student Affairs staff will lead discussions regarding the issues students face, including academics, housing, and campus involvement. We strongly encourage families and guests who have not spent any significant time on campus to attend the June or July sessions. During the session families and guests will attend receptions, program fairs and presentations to meet HSU representatives from all over campus and have plenty of time to connect with other Humboldt State families.

The HSU Bookstore is pleased to provide families and guests with a Family and Guest Lounge, giving them a quiet place to relax and visit with other guests during the sessions. The Family and Guest Lounge features Internet and email access, newspapers, magazines, games, refreshments and more.

HOP Fees for Family & Guests

Three Day June and July Sessions: $50 or Two Day August Session: $40

This does not include housing. Complete housing and meal options are listed on page 7 and 8. There will be an additional $10 late fee for reservations received after the deadlines listed on the reservation form.
Parents Stay Connected

All family members and friends are invited to join the Parent List Serve. Go to the website listed below and click on “Join Parent Listserve.” In addition to being able to communicate with other HSU parents, you will receive periodic updates from the University. It’s a great way to stay connected to the campus community, no matter where you are! Family and friends who do not attend an orientation session may choose to receive a parent folder by mail. Call (707) 826-3504 to speak with someone about this service.

~For more information~
http://studentaffairs.humboldt.edu/parents

Health Information

Your student fees cover most of the services which are available on weekdays throughout the fall and spring semesters. Our affordable and accessible professional services are provided to support your success at Humboldt State University. More details are available on the HSU website.

~For more information~
http://studentaffairs.humboldt.edu/health/

Required Information

1. Immunizations: all students are required to comply with California State Law and CSU policies regarding personal vaccination for Measles, Rubella, Hepatitis B, and Meningococcal Meningitis. Students who do not comply will not be permitted to register for a second semester.

2. Health Center Registration and Consent form: find this on the web site listed above. If you are under 18 your parent/guardian needs to sign the consent form before you can receive services at the Student Health Center.

Immunizations

Measles/Rubella: All new and readmitted students born after January 1, 1957 must provide proof of immunity to measles and rubella. This means two doses of vaccine after age one.

Hepatitis B: Students under 19 years of age at the start of classes must show proof of having received all 3 doses of Hepatitis B vaccine.

Meningococcal Meningitis: Although this vaccine is not required, it is highly recommended for freshmen, especially those living in residence halls or with a group of students.

Detailed instructions and forms regarding required immunizations and registration are available at the Student Health Center website. The Student Health Center is available to provide immunizations.

Health Insurance

It is strongly recommended that all students have supplemental health insurance to cover the costs of unexpected injury and illness. The mandatory Student Health Fee supports direct care services at the Student Health Center. It does not cover the cost of visits to outside physicians and hospitals. If you do have health insurance, review your plan and/or call your carrier and make sure you understand the benefits, conditions and limitations of your plan.

If you don’t have adequate health insurance, a plan designed for students is available through the Associated Students Business Office, (707) 826-3771. Visit the website listed below and go to “Student Resources” and click on “Sickness & Injury Plan.”

~For more information~
http://www.humboldt.edu/~hsuas/
Housing and Meals During HOP for Students & their Guests

Sections C & F on Reservation Form

Freshman Students & Guests (June & July Sessions Only)

On-campus Housing and Meals
• $96 Student/Guest housing and dining fee (per person)

The housing fee includes: two nights lodging, bed and bath linen, all meals beginning with dinner the first night and ending with a lunch the last day. Students are strongly encouraged to stay in the residence halls during their HOP session. Students and families/guests are NOT placed in the same residence halls. Residence halls have shared bathrooms.

Please check in at the Conference Services Desk located on the first floor of the Jolly Giant Commons.

Transfer Students & Guests (June & July Sessions Only)

On-campus Housing and Meals
• $50 Student/Guest housing and dining fee (per person)

The housing fee includes: one night lodging, bed and bath linen, all meals beginning with dinner on the first day and lunch on the last day. Students are strongly encouraged to stay in the residence halls during their HOP session. Students and families/guests are NOT placed in the same residence halls. Residence halls have shared bathrooms.

Please check in at the Conference Services Desk located on the first floor of the Jolly Giant Commons.

Additional Nights On-Campus

You may arrive early or stay late during the June and July sessions at a cost of $22/night per person double occupancy. This rate is for housing only. You are welcome to purchase meals at the cafeteria. Early arrivals for the June and July sessions may check in after 3 pm a day earlier and stay a day later, checking out by 11 am. Please note additional nights on your HOP Reservation Form. Reservations for additional nights must be received by June 8 for the June sessions and by July 7 for the July session, OR we cannot guarantee you a space on campus.

August Session for Freshmen & Transfers

On-campus Housing
Students living on campus for the 2007-2008 academic year and attending the August HOP session may move into their rooms beginning Tuesday, August 14. On-campus housing is not available during the August session to students living off-campus during the 2007-2008 academic year or their guests, since students will be moving into their permanent rooms.

Housing Fee Refund Policy

For those planning to attend a June or July session and staying in the residence halls, there is a $50 residence hall fee for cancellations, transfers or changes per person after June 13 for the first June session, after June 20 for the second June session, or after July 11 for the July session. No refunds or transfers will be given within seven (7) days prior to the first day of a session.
Meals

For those staying off-campus during a session, individual meals may be purchased at the door of the "J" (our dining facility on the 3rd floor of the Jolly Giant Commons building).
- Breakfast $6.20 (plus tax)
- Lunch $7.70 (plus tax)
- Dinner $10.25 (plus tax)

To speak with someone about housing and meal costs, please call (707) 826-5312.

~For more information~
http://www.humboldt.edu/~housing/conference

Logistics

Children 3 and under are free in housing & dining. Parents are housed in single rooms if coming alone, double if with a spouse. Students are generally housed in double rooms with a roommate that is also going through orientation.

Child Care During HOP

Section G on Reservation Form

Participants who have children may receive child care during their June, July and August HOP sessions, provided space is available. The HSU Children’s Center will be open 7:30 am - 5:30 pm for children ages 1-8. Two-week advance notice and a fee of $10.00 per child are required. Please contact the Children’s Center at (707) 826-3838 to reserve your child’s space. Additional paperwork will be mailed to you. This paperwork must be returned to the Children’s Center prior to receiving child care. No refunds or transfers will be given within seven (7) days prior to the first day of a reservation.

Student Disability Resource Center (SDRC)

Section A & E on Reservation Form

The Student Disability Resource Center (SDRC) can assist with temporary or permanent disability-related needs a student or guest may have during HOP and throughout the academic year. Please notify us of any mobility needs, or other concerns or translation needs you may have so that we can appropriately accommodate you in the residence halls and in peer group meetings. Use the “Additional Needs” section of your Reservation Form. To speak with someone, please call (707) 826-4678 or TDD: (707) 826-5392.

~For more information~
http://www.humboldt.edu/~sdrc

The Multi-Cultural Center (MCC) is a student-initiated program that celebrates and honors the diversity of people. Our house is a welcoming place where people are invited to gather together...to explore self and identity...to experience the culture and tradition of others...to educate and empower each other to take action. The MCC is a safe place to express opinions and to challenge the status quo, it provides a place to cross boundaries and eliminate popular stereotypes.

The Associated Students of Humboldt State University is the official voice through which the students may express their opinions. AS has three primary purposes; to allocate student fee dollars to 23 student run programs, to educate students on campus, local, and state current affairs that have significant impact to students, and to advocate the student perspective to the appropriate parties.

Humboldt State University
Placement Testing

What are the EPT and ELM?

The California State University (CSU) system requires new students to take the CSU English Placement Test (EPT) and Entry Level Math exam (ELM) before registering for classes unless they are exempt (see below). These are placement tests designed to determine your level of preparation for college work in Math and English. You cannot register for ANY classes at HSU unless you have completed the EPT/ELM or you are exempt.

You cannot retake the EPT (ever) and you can retake the ELM only after a certain time period when a new version has been created.

Do You Need to Take the EPT/ELM?

You cannot register for any classes until we have your EPT/ELM scores or verify that you are exempt. Students who are required to take the test(s) will be informed in their admission letters and will receive a brochure titled “EPT/ELM 2007: Essential Information.” If you have not received the information or have questions about your test status, please call the Office of Admissions at: (707) 826-4402 or (866) 850-9556 (toll free). It is your responsibility to provide your official SAT or ACT scores to the Office of Admissions prior to attending Orientation. Advanced Placement (AP) exam scores taken in 2007 do not arrive until mid July.

You may be exempt from taking these tests if:

• Your SAT or ACT test scores are high enough
  EPT: SAT Verbal 550 or higher, ACT English 24 or higher;
  ELM: SAT Math 550 or higher, ACT Math 23 or higher
• You have earned a C- or higher in an approved college level General Education (GE) written communications course (EPT) or an approved GE math course (ELM).
• You scored high enough on the Early Assessment Program (part of California’s Standards test given the junior and seniors years of high school)
• See the “EPT/ELM 2007: Essential Information,” mailed separately, for more detailed exemption information.

To qualify for exemption, documents verifying test scores or completion of GE course work must be on file with the Office of Admissions prior to the orientation session you plan to attend.

When Should You Take the Tests?

Students CANNOT register for classes without documentation of an exemption or result of prior completion of both tests per university policies.

If you plan to attend a June HOP session, you should take your required exam(s) no later than the May 5 statewide administration date. If this is not possible, DO NOT take the exams(s) at another CSU campus after May 5 (scores will not be available in time for you to register for classes). Plan to take the exam(s) at HSU’s campus on Wednesday, June 20 at 8:30am or on Wednesday June 27th at 8:30a.m.

If you plan to attend a July or August HOP session, you should take your required exam(s) on or before the June 16 statewide administration date. If this is not possible, DO NOT take the test(s) at another CSU campus (again, scores may not be available in time for you to register for classes). Plan to take the exam(s) on the HSU campus when you come for HOP on Wednesday, July 18 or Wednesday, August 15 at 8:30 am.
How Much Do the Tests Cost?

• ELM $18 • EPT $18
(The EPT is $28 if taken during the HOP session)

When are These Tests Offered? How Do You Sign Up?

To sign up for one of the statewide administrations of these exams, contact the CSU campus nearest you or refer to the “EPT/ELM 2007: Essential Information” bulletin which was mailed separately. Some campuses may have additional special administration dates for these exams. If you are unable to take a Statewide Administration of the EPT/ELM, they will be offered during the HOP sessions on the Humboldt State campus. To sign up for one of these session administrations of the exams, contact the HSU Testing Center at (707) 826-3611, or sign up online.

Statewide Administrations of the EPT/ELM

March 17, 2007 (Sign-up deadline, March 3)
May 5, 2007 (Sign-up deadline, April 21)
June 16, 2007 (Sign-up deadline, June 1) DO NOT sign up for this exam date if you will be attending a June HOP session. Plan on taking the tests as part of the HOP session.

HSU Administration of the EPT/ELM

• June 20, 2007 (8:30 am) for those attending the June 20-22 session
• June 27, 2007 (8:30 am) for those attending the June 27-29 session
• July 18, 2007 (8:30 am) for those attending the July session
• August 15, 2007 (8:30 am) for those attending the August session.

A Math 46 workshop is available to improve ELM scores. Contact the Math Department for more information.

HSU Math Placement Test
(not the ELM)

The HSU Math Placement Test (MPT) is a supplementary placement exam for people who wish to bypass Pre-Calculus (HSU’s Math 115) and enroll in Calculus instead. The test is appropriate for a small population of students, who after taking and passing the test will receive a higher math code, enabling them to go directly into Calculus. You might consider reviewing the sample test on the website at www.humboldt.edu/~mathdept.

The HSU Math Placement Test is given on a walk-in basis, and will be offered during each HOP session. The test will take place in the Testing Center, House 71. We strongly recommend that you attend the MPT review session offered during the HOP session. The exam will be the following morning.
Pre-Registration Checklist

All new students must complete the pre-registration checklist before registering. This website will help you set up your HSU email, set your preferred email address and establish a registration PIN code. You need to complete this list before you attend HOP. Go to the Humboldt State website at http://www.humboldt.edu, click on "Registration" under Quick Links, then click on “Pre-Registration Checklist” or go directly to the site listed below.

~For more information~
http://www.humboldt.edu/~reg/pdf/PreRegCheckList.pdf

Degree Audit Report for Students (DARS)

If you have Advanced Placement credit or any college or university credit, you will receive a Degree Audit Report for Students (DARS) when you arrive. Your DARS tells you and your advisor how the course work you completed prior to coming to Humboldt will apply to HSU’s graduation requirements. Courses taken Spring/Summer 2007 may not be on your audit report yet. Your report will be updated when we receive and evaluate your final transcripts. If you do not sign up for HOP by the deadline or your transcripts arrive after this date, we cannot guarantee you a DARS in time for advising and registration.

Outdoor Adventures

Section I on Reservation Form

Explore Humboldt. Make Friends.

Imagine rafting down a scenic river, hiking through pristine landscapes or kayaking through serene waterways. We’ve got it all on the North Coast.

Signing up for one or more Outdoor Adventures programs is a great way to learn more about the local environment, while meeting new friends here at Humboldt. No experience is necessary and we’ll provide any rental equipment you might need.

Check out the enclosed registration form and register now, because these trips fill up fast. To see dates and full descriptions of these Outdoor Adventures, [or to register online,] go to the website listed below.

One-day trips:
• Whitewater Rafting
• Ecology Service Opportunity & Kayak Paddle
• Bicycling
• Fern Canyon Day Hike
• Rock Climbing

Multi-day adventures:
• Canoe and Sea Kayak Camp Out
• Whitewater Rafting Weekend
• Surfing the North Coast
• Backpacking Adventure
• Humboldt Outdoor Adventure Leadership (HOWL)

~For more information~
http://www.humboldt.edu/firstyear
Freshman Interest Groups (FIG)

Section D on Reservation Form
Learn with Others who Share your Interests

For students beginning their first or second semester of college, one of the best ways to transition is to join a FIG. What’s a FIG? It’s short for Freshman Interest Group – and it’s essentially a group of students (about 25) who take three to five thematically-linked classes during the Fall semester. Are you interested in politics, the arts, marine sciences, the outdoors, psychology, business...? There are 25 different FIG themes to choose from. Two out of every three freshmen join FIGs – there’s a good reason for that. Students who join FIGs tend to get better grades, have more fun during their first semester at college, and arrive at orientation with a partial class schedule in hand.

To see all the benefits of joining a FIG and to see more complete descriptions of each FIG, go online to the website listed below. You can sign up online or complete and return the enclosed reservation form. Either way, remember that it’s first-come, first-served, so respond early! Some FIGs for 2007 include:
- Business and Enterprise Economy
- Elementary Education
- Exploring the Human Dimensions of Natural Resources
- Exploring Humboldt, Majors & Careers
- Exploring the Marine Environment
- Exploring the Mind
- Honors FIG Seminar
- HOWL – Humboldt Outdoor Wilderness Leadership
- Intro to Environmental Science and Engineering
- Intro to Human Performance
- Journalism and Mass Communications
- Leadership, Activism & Social Justice
- Life Science and the Environment
- Math Confidence
- Off the Beaten Path: Exploring Humboldt through Literature and Landscapes
- People and Politics
- People, Community and Social Change
- Shake, Rattle, and Roll: Organizing Communities for Disaster
- Science Foundations
- Teaching Secondary Education Math & Science
- Women for Change
- Writing and Speaking for the Environment

~For more information~
http://www.humboldt.edu/firstyear

Educational Opportunity Program (EOP)

The Educational Opportunity Program (EOP) can assist low-income students who want to benefit from additional academic support and advising. Call the EOP program for details regarding eligibility and application information. If you attend the EOP Summer Bridge Program, you are not required to attend an HOP session.
To speak with someone, please call (877) 826-3778.

~For more information~
http://studentaffairs.humboldt.edu/eop

“I came to HSU unsure about what I wanted to study. The Science Foundations FIG really helped me decide what I want to do with my life. It was hands-on experience all semester long, including hikes to the forest and the Arcata Marsh. I highly recommend joining a FIG.”
- Jaqueline Ruggieri
2006 Freshman, NRPI Major

CenterArts is the professional performing arts and entertainment presenter of Humboldt State University. The program serves the students, staff and faculty of HSU, as well as the general community of Humboldt County. Over the last several decades, CenterArts has presented a virtual “Who’s Who” list of artists on the Humboldt State campus, including such diverse performers as James Brown, Jane Goodall, Maya Angelou, Phish, Dave Brubeck, Ani DiFranco, Wynton Marsalis and Bela Fleck. The organization has built an impressive program rivaling that of much larger campuses and major metropolitan areas and has been recognized both regionally and nationally for its innovative presentations.

More information on CenterArts events is available from the Ticket Office at (707) 826-3928.
Important Dates for 2007

March 2  Registration Deadline for March 18 ELM/EPT
March 17  Statewide ELM/EPT

WHAT TO BRING TO AN HOP SESSION

• All correspondence from Humboldt
• Photo ID
• Appropriate fee, if you will be taking the Entry Level Math (ELM) exam and/or the English Placement Test (EPT)
• Catalogs and Transcripts from previous colleges/universities attended
• Paper and writing utensils
• Rain gear (you never know in Humboldt County!)
• Money for HSU memorabilia
• Comfortable walking shoes (HSU has many stairs)
• Immunization Record and the Health Center Registration and Consent Form
• An alarm clock
• If you completed GE Math or English during Spring 2007 or Summer 2007, please bring a copy of your report card or letter from your instructor indicating the name of the course and grade.
