Summer Employment Opportunity

L.W. Schatz Demonstration Tree Farm

Field Crew

Department of Forestry and Wildland Resources
Humboldt State University
Maple Creek, CA

Late May to mid-August with 2 weeks off late June to early July

Duties include road and fuel break clearing, general maintenance, and assisting with research projects. Will work in a 2-person crew. Transportation available most work days; may be required to provide own transportation on an intermittent basis. Preference given to students who have completed Forest Measurements, Mensuration and Silvics. Chainsaw or landscaping experience a plus. Must be able to work in steep, forested terrain (containing poison oak) in warm to hot temperatures and have a valid California driver’s license.

Pay is $520 per week (four 10-hour days).

Application deadline is 5PM Monday March 23 2015.
